

Announcing the 2019 Citrus Fruit Fundraiser for Canterbury Music

The **2019 Citrus Fruit Fundraiser** is here! Once again, we are pleased to partner with our local **Produce Depot**. The manager, Dan, and his suppliers in Florida and California have guaranteed fresh, quality fruit from their great growing districts.

Our sales campaign runs November 15th - December 2nd, 2019

Every year, this fundraiser is very successful for the Canterbury Music program and **each student earns 75% of the profits** for the citrus they sell in their student fundraising account. The remainder of the profits are contributed to the Canterbury Music Program to fund major purchases to benefit all music students.
